“ Our deepest sympathy to your and your entire family-also to her sister Julie. We had known Beatie and Les for several years and had enjoyed visiting with them and the Table 11 group throughout the polka circuit dancing to the Bill Thull Orchestra-Great times were had by all which created so many memories.  
Hold all your memories close to your heart until we are all reunited in that wonderful paradise where Beatie has now joined Les and probably has a huge smile and is once again dancing.
