“ We loved this Crystal Child for his brief time here on Earth, but will love him always for the light he brought into the lives of so many. Let us not mourn the absence of the flame, but celebrate how brightly it glowed.

“ I only got to meet Bodhi once but I'm so glad I did. He was one of the most happy babies I've ever met, you couldn't help but fall in love with those blue eyes. He had a little of both of you in him and for the short time he was here there are no better parents God could have chosen for him.

God was ready for another angel and he chose your beautiful boy. You should be so proud. Please know you are in our thoughts and prayers.
