“ Dear Cousins,
I am sorry about the loss of your bother,
Donny. God works in mysterious ways.
Apparently, he needs an expert electrician in
Heaven. The loss of Donny will be felt
by all.<http://storage.lifetributes.com/Candles/new/candle-5.png>

“ So sorry to hear of Don's passing . He was a friend of mine my whole life and went through all 12 years of Hustisford schools with me as his classmate. I can still remember him hiding electrical manuals under his schoolbooks at the studyhalls tables with Mrs Mahr trying to catch him. Hustisford won't seem the same without his presence .

Sincerely and with deepest sympathy ,

“ *Prayers that God's comfort surround his family and friends. He was always on the go and would wave as he went by. He will be missed.*

“ *Our deepest sympathies to the family! I remember a cute detail from one of the Republican Conventions. Donald was sitting next to me and one of the ladies from the State Republican Women's Group came by to say "hi" and then said "glad to see your husband came with you this time!" Donnie got a kick out of that remark!*
