“ My Heart goes out to my dear friend Karen today. I remember the good old days when we were in Brownies and Girl Scouts and we had so much to giggle about back then and today I am proud to say that we still are able to giggle at times. I am going to miss Dorcus very much for she too was dear to my heart. She was a wonderful woman and now she is a guardian angel watching over us. Karen try to keep those memories of your Mom close.

Just remember that I am only a phone call away. Here is a Big Hug from me to you.

Love Always,

Sheila and Family
