“ *Webbie, Robbie, Kathy and Jeff,
I am very sorry to hear of your mothers passing. Our parents had
some great times together - starting in the "old neighborhood." Then
the New Years Eve's every year as they got older. My thoughts and
prayers are with you and your family.*

“ *What a grand lady, a fun conversationalist, a great teacher, and a kind person. I am honored to have known her, Thank you for sharing her with all of us in the community. I have given "Eve Webster" mountain Bluettes away and have always named who gave me the first clump. I enjoyed her in AAUW book club and at our events over the years. Eve always had something nice to say and was ready to inquire after the boys. My thoughts are with you at this time.*

“ *I'm so sorry to hear of your loss. Mrs. Webster was my kindergarten teacher at Wilson Elementry School. As an outing I remember our class walking to her home to eat popciles. 25 years later seeing her at church she still remembered me. She was an amazing person, and made a great influence on my life.*
