“ I can remember some great times in the Beine household when we were young kids. I can remember aunt Helen feeding us kids fried egg sandwiches with honey on top - a combination that was not met with an enthusiastic response when we requested it from our mom at home! I fondly remember halloween trick-or-treating where we were sure to score big at aunt Helen's house, playing with pet rabbits (I still have an army blanket with a hole chewed by one of those rabbits), repairing bicycles with Harold, and some fun fishing trips to Green Lake with our aunt and uncle. I still remember catching that large (it seemed large at the time) northern pike that I caught (not sure who ended up eating it) with an old bamboo cane pole. These are but a few of the countless gifts that were given to us by our aunt and uncle. My ability to remember their phone number off the top of my head to this day, is a small indicator of the fun times we shared with Helen, Harold, Laura and Karen. My aunt Helen's sense of humor and sheer enjoyment of life itself, will be sorely missed. Gary Kling
