“ Dear Bush Family,

I had the pleasure of working with JoAnn her entire career at Ellsworth Adhesives. JoAnn was a true professional who did her job well and was well liked by her co-workers. We all enjoyed her positive and pleasant personality. God Bless, Mike McCourt

“ I went to West Division High School with JoAnn and I found her to be very intelligent and to have a marvelous sense of humor. Everyone liked her.

My condolences to the family.

“ I served on the Parish Council at Good Shepherd Parish in Menomonee Falls with your mother. She was a delightful happy person. I have not seen her since she moved from Germantown, but I hope you have many wonderful memories of her. I do.

“ May you all find comfort and peace during this devastating time by means of prayer and from others.

Also be comforted in knowing that as the scriptures tell us that "death will be swallowed up", meaning that it will be gone forever. (Isaiah 25:8) Because our dear heavenly Father will resurrect those in the grave and bring them back to enjoy life with their dearly departed. (John 5:28,29)

“ I wish to express my sympathies. I worked with JoAnn at Valley Bank and we had a lot of fun times. Now I have fond memories. I will keep your family in my prayers.

“ I am so sorry for your loss. JoAnn and I knew each other for years in our younger days and then when she became my assistant at Sr Friends. I always enjoyed your mom, God rest her soul.

We are in Florida so we cannot attend her service but will be there in spirit.
