

Joseph Donald Kubasik

June 20, 1968 - March 18, 2015

KUBASIK, JOSEPH D.

On the morning of Wednesday, March 18th, 2015 Joseph Donald Kubasik, age 46, of Iron Ridge, WI, was taken to join our Father in Heaven, due to metastatic lung cancer. Even knowing his time was near, he fought with every ounce of strength and energy he had, not only for himself, but for the people around him, whom he loved and cared for very much. Joe has always been a strong willed person, who did his absolute most to help those in need. He was a dedicated employee at Mayville Engineering. He also served in the Navy 4 years. Joe loved the outdoors; hunting, fishing, and trapping. Even though Joe was never married or had any children of his own, he still leaves behind fiancé, Nancy Fuller and her 2 daughters, Tiffany and Heather, and wonderful granddaughter, ClariBell, whom he loved with all his heart and considered his family. He is also survived by parents, Dick and Donna; sisters, Kim and Lana, and many family and friends.

Family will receive relatives and friends Saturday March 28 from 2PM-3PM. Memorial service will follow at 3PM. The Berndt-Ledesma Funeral Home is serving the family.

Tribute Wall

“ Joe,
Even though we lost touch I am saddened at your loss. I am saddened we did not reconnect later in life. I am truly sorry for your Family and Friends. You always were smiling and had a great sense of humor about life. I will see you on the other side. Prayers for comfort and peace.
John Boggio and Family.
