

Laurie Ann Maki

August 17, 1967 - February 21, 2015

Laurie Ann Maki passed away February 21, 2015. Laurie was born August 17, 1967 in Beaver Dam, the daughter Mary Ann and the late George Williams. Laurie graduated from Horicon High School in 1985.

Laurie was a lover of music, and loved listening to everything ... except country! She was fond of gardening, especially when it came to her flowers. Laurie also liked doing assorted crafts, and genuinely enjoyed crocheting. Her true love, though, was being with her family and friends. Laurie will most be remembered for her infectious laughter.

Laurie is survived by her two loving sons, Keenan Kalinowski of Beaver Dam, and Nikolas Maki of Watertown, her mother, Mary Ann Williams of Beaver Dam, her sister Bonnie (Brian) Franke of Beaver Dam, her brother Kelly Williams of Beaver Dam, and her dear granddaughters, Lily and Chloe. She is also survived by Douglas Maki, and nephews, nieces, and other relatives and friends. Laurie is preceded in death by her father, George Williams, her infant brother, Thomas Williams, and other family and friends.

Visitation will be Saturday, February 28, 2015 at the Berndt-Ledesma Funeral Home in Juneau from 11:00am to 2:00pm, with Funeral Service to follow at 2:00pm. Rev. Scott Moore will be officiating. Interment at Juneau City Cemetery.

The Berndt-Ledesma Funeral Home-Juneau will be serving the family.

“ I remember Laurie when she worked at Burke Station for a brief while. Her friendliness and humor was infectious. I remember when she got a new job, an office job, that she was joining the world of the cubicles. My husband Steve, and I, give our sincere condolences Doug and the Maki family. You have our deepest sympathies.

“ I have so many memories of Laurie hanging out at our house with my sister Denise. Music really was her thing and she shared it. I think everyone who knew Laurie has a song that makes them think of her. She was a kind soul. I don't ever remember her saying a mean thing about anyone. I don't think I can even remember seeing her without a smile. My sympathies to her family and friends. She is gone far too soon.

“ My heart goes out to Laurie's family & friends. She is gone far too soon & her passing has sadly taught me the hard way the importance of keeping in touch with friends. Rest in peace my friend & I hope you like the music in Heaven.

“ A memory that keeps coming to mind is watching her put her makeup on. :) Might seem a little weird, but I clearly remember it. Whenever I visited Dad's on the weekend I always sat in the bathroom and talked while she put her makeup on and did her hair. She always did the same routine and I can just picture it now. Taught me how to get every last drop of foundation or speck of blush out of the containers before you had to go buy more. haha :) I also remember making Christmas ornaments. She had about a million pop tart boxes and numerous boxes of used greeting cards, then she would cut out circles and make three dimensional ornament balls. Anyone else remember those?! We covered the whole tree one year! Those are just a few little memories that have popped into my mind repeatedly.

“ Aunt Laurie got me into listening to the B52s, particularly the song, rock lobster. We would dance around her living room, singing at the top of our lungs. She had such great taste in music and loved everyone so much.

“ I will never forget when she and my mom spent a little too much time out in the sun one summer and got so burnt. They had to wear these special cotton bras, Aunt Laurie looked at Malissa and I, she said, don't do it, it's not worth it, but she had a smile on her face, not a frown. Even in painful times, she always wore a smile. I miss her very much.

“ *From one Laurie to another!!! I met Laurie when her step daughter and my daughter were the best of friends when they were teenagers!!! Laurie and I would get so mad at those girls and we shared many a conversation over what to do with them!! Now that our daughters have grown and have a child of their own, we would just sit back and laugh about the troubles they gave us and would say that we hoped their kids would do the same to them - kinda like what goes around comes around!! And its so very strange, but I was just thinking about Laurie the other day and maybe it was her spirit telling me she was ok and what she was/is up to as I hadn't seen her for probably about a yr!!! I loved her smile, her no-nonsense attitude, her beautiful hair, and yes her laugh!! I will most definitely drink a beer in her memory! Loved you to pieces Laurie!*

“ *There are so many great memories of Laurie, can't pick just one, she was a true friend, always there for you with a smile and that wonderful laugh. I remember her getting me into all kinds of music I would never have listened to otherwise, or as she put it sharing a little culture with me. And all the crazy skits we dreamed up together for SNL, and silly made up words we had.*
