

Nancy D. Thielmann

April 17, 1943 - January 13, 2015

Nancy D. Thielmann (nee Campbell) 71, peacefully entered the loving arms of Jesus surrounded by her family on January 13, 2015 after a long courageous battle with Lymphoma. Nancy was born April 17, 1943 in South Bend, Indiana, the daughter of William and Marian (nee Jung) Campbell. A lifelong resident of Hartford, Wisconsin and a graduate of Hartford High School in 1961, she was united in marriage to Paul Thielmann on June 12, 1965 at Holy Hill. Married for nearly 50 years, they were rarely far apart. Together they raised two sons, Scott and Rick.

Nancy was a 32 year employee of the Hartford Union High School District as a student supervisor. She touched many lives during those years, and enjoyed the interaction with the students and made many friends. She was loved and respected by many students and people all around the community. She was Co-Founder, Charter member and former President of the Hartford Lioness Club and attained perfect attendance for 25 years. She was Co-Founder and former President of the Hartford High School Athletic Booster Club. She was proud of being the first "Big Sister" of Big Brothers/Big Sisters of Washington County for five years.

Nancy's greatest joy was her family, especially her grandchildren. She relished being a Grandma. Family was always her main focus. She enjoyed the winter months, especially the beach and ocean at her winter home in

Florida. She was an avid fan of the Brewers, Packers and Badgers, and it was rare she missed a game.

Nancy is survived by her loving husband, Paul. Her cherished sons Scott (Anne) Thielmann of Jackson and Rick Thielmann of Schaumburg, IL, her adored grandchildren Josephine, Jillian and Michael, her siblings Scott (Jan) Campbell of Indiana , Sam Campbell of Florida and Sally Campbell of Maryland, her sister-in-law Judy (Lou) Fraser Ryniec of Illinois, brother-in-law John (Linda) Thielmann of Cedarburg, sister-in-law Carole Thielmann of Hartford and many other relatives and friends.

Nancy was preceded in death by her parents, brother Bill Campbell, her in-laws Walter and Patricia Thielmann and brother-in-law Thomas Thielmann.

Special thanks to Dr. Timothy Fenske and his Staff at the Cancer Care Center and the fourth floor Oncology wing at Froedtert Memorial Hospital for their compassionate and dedicated care Nancy received throughout her five year battle.

“ Paul, Rickie, and Scott,

So sorry to hear about the passing of Nancy. I will not be at the funeral as I am working in Busan, South Korea at an international school. Although I have not seen Nancy for some time she will always be in my memory as part of the some of the best experiences of my teenage life.

Thus far I have not had to deal with the death of an immediate family member. I can't imaging the emotions you all are going through. I hope you have some peace of mind knowing that Nancy was a very nice, hard working, and caring woman. If I die of old age or succumb to disease, I sometimes think about what will be going through my mind before I die. Because I'm not a religious person, my main train of thought is "Did I make a difference?" And if the answer is 'yes,' I think a person can find some comfort in death.

Paul, what you and Nancy have done for Hartford Athletics over the past 3 decades is nothing short of remarkable. Yours and Nancy's dedication to Hartford High School has had such a positive impact on literally thousands of people.

Being that I am now a teacher I really appreciate parents that raise respectful, responsible children that will grow up to be respectful, responsible adults. I feel raising a respectful family is one of the biggest accomplishment a person can make in their lifetime. Our world needs more people like Nancy. I feel she made a big difference.

Ohhh what a woman your wife/mother was. Funny, kind, sincere and oh what a great listener. Some of my best teenage memories involve Nanc and Paul. I just smile everytime I think about her. I feel honored that I was able to share some of my life with you guys. Those funny roadtrips and parties will be in my mind making me laugh for my lifetime. “ *How does one describe a friend of a lifetime. Our memories go back to being members of the Class of '61 and being a group of best friends who over 55 years emained close though living lives far apart. Her wonderful spirit, smile and happy attitude warmed our hearts whenever we were able to gather at the Perk Place for long-overdue mini"reunions". Our hearts are so very heavy but we know she is now lighting the world she now resides in and one day we will meet again to laugh and reminisce and tell each other how lucky we are to have had such beautiful friends.*
