“ *Santa Ray....you are bigger than life! I felt that from you the past 12 years that you worked with Reindeer Games. I am grateful to have known such a great man. Comments that I am hearing from our reindeer home visit customers are warming my heart this week. You were loved by many. You will be missed.*

“ *I am a teacher at Journey House on Milwaukee's South side. One Christmas, we didn't have a Santa Clause for our holiday party. I called Ray and he said he would come all the way into Milwaukee for a nominal fee - not his usual, to help make a wonderful Christmas for these children who were very low income and couldn't afford to have a good Christmas, but Ray was there to make a memorable Christmas for them. When he walked into our gymnasium on 22nd & Greenfield, all the children's eyes were open wide with wonder. They couldn't believe that Santa had visited them. At that moment, we were all believers. Thanks, Ray, for a wonderful time you gave to these children. May God reward you now and you rest in peace. You made some little Latino children very happy!*
