“ It is so wonderful to live beyond the average life span, and as humans we all want to live forever. In fact our dear heavenly Father created us with the desire to live forever. How loving he is to make that possible by means of the death of his dear son Jesus. Even though we die, the resurrection hope is the gift he grants us. May each of you look forward to the time when the resurrection is a reality and you will be reunited with your dear loved one in paradise. (Luke 23:43)
