“ Although I did not know your dear loved one, I saw the obituary online and wanted to send along my condolence. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.
